Confirmation No.: 8031

Filed: December 23, 2003

Art Unit: 1742

For: CHEMICAL CONVERSION COATING
AGENT AND SURFACE-TREATED METAL

Examiner: L. L. Zheng

INFORMATION DISCLOSURE STATEMENT (IDS)(REVISED)

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This Information Disclosure Statement is a Revised version of the Information Disclosure Statement filed on September 12, 2006 to correct an inadvertent error and to clarify that Citation AA is an English language counterpart of Citation BL Accordingly, please replace this Information Disclosure Statement with the Information Disclosure Statement filed on September 12, 2006.

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement is filed more than three months after the U.S. filing date, OR more than three months after the date of entry of the national stage of a PCT application, AND after the mailing date of the first Office Action on the merits, whichever

occurs first, but before the mailing date of a Final Office Action or Notice of Allowance (37 CFR 1.97(c)).

Applicant has not submitted a copy of the cited U.S. patent as required by 37 CFR 1.98(a)(2)(i), amended October 2004, as the U.S. Patent and Trademark Office has waived this requirement for all U.S. patent applications. Copies of Citation BA-BG and BI-BM are also not being provided since the references were first cited in an Information Disclosure Statement filed May 3, 2004. An English language abstract of Citation BH was enclosed with the Information Disclosure Statement filed on September 12, 2006. Citation AA is an English language counterpart of Citation BL.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure Statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 22-0185, under Order No. 21581-00312-US.

Dated

11/17/06

Respectfully submitted,

By

Burton A. Amernick
